FAQs about LIFE Groups

LIFE Groups are about sharing life together. These are small groups that have been formed with the purpose of sharing life experiences, to encourage each other and spur each other on to be all that God intended us to be. We offer a variety of types of groups whether book studies, Bible studies or activity groups; we have a LIFE Group that's just right for you. You don't have to be a Bible scholar or a member of our Church to attend. Our groups are intended for everyone, at any point in their journey through life, to participate. We welcome you and encourage you to come and bring a friend.

We have two LIFE Group sessions throughout the year. Our current session will begin the week of February, 19, 2012 and end June 16, 2012. You are welcome to join any group at any time. We don't want you to miss a moment, so sign up today!

If you would like more information or have additional questions, please do not hesitate to visit our Website at www.lifechurch-stl.com or contact our office at (314) 843-5575, ext. 264 and someone would be delighted to assist you.

This session we are launching something new and exciting that we want to share with you called The Prayer Revolution. Our LIFE Groups focus on outreach projects every session, the purpose of which is to impact our community in a powerful way, but we believe the Prayer Revolution will take us to a whole new level. Every person in every LIFE Group is going to be asked to bring at least one prayer request from someone in the community (i.e., from work, the store, the restaurant, the park, etc.) with them to their LIFE Group meeting and every group is going to pray for those specific needs. We want to ask for prayer requests from people who might not have otherwise been introduced to God. We believe God wants to show Himself strong on their behalf and answer their heartfelt needs, and that will draw them into wanting to know more about Him. We believe that God is going to move in those people's lives in an amazing and powerful way. We will see lives, communities and cities transformed by His power. For more details see our Website at www.lifechurch-stl.com.
